Restaurants

The Daichi Main Restaurant

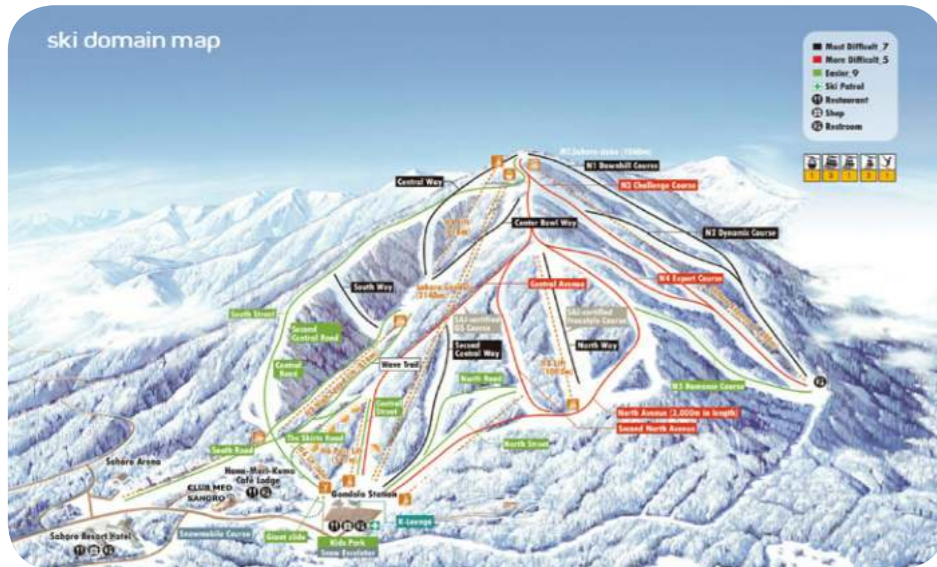

Savour a variety of delicacies. With an emphasis on Asian flavours, sample from a selection of fresh-caught sashimi, sushi, and chirashi prepared by skilled Japanese Chefs who use traditional methods. You can also watch as energised live cooking stations showcase Chefs preparing each dish, including handmade soba, ramen, and udon noodles. This recently expanded restaurant takes its inspiration from mountain views and the forms and shapes of origami, representing longevity and good luck. Wrapped in glass with nature in every direction, dining here is an immersive Hokkaido winter experience. For added convenience, a Baby Corner will offer sweet and savoury baby foods, equipment to prepare babies' meals, and high chairs or booster cushions. Spare pushchairs are also available upon request.

Mina Mina Speciality Restaurant

Your family will love this must-try dining experience. Our Mina Mina specialty restaurant prepares a traditional nabemono, or nabe, soup served in a heated pot right at the table. Choose from your favourite ingredients including meat, crab plate, seafood plate, and vegetables. Then, just add or dip one by one to customise your meal. Please note: Some selections are available for an additional fee. Operation date and timing are subjected to changes in resort, please check with resort team on site.
