**WAR WORLD II MEMORIALS PARK** - 3,908 graves of soldiers who either died in battle or captivity lie here. Most of the soldiers were Australians and British with some from the Punjab Signal Corp, New Zealand as well as a few locals.

**THE CHIMNEY**- The 106 feet high structure is Labuan's most well-known landmark. It was built in the 1800's. The actual purpose of the Chimney is still a mystery but many believe it served as a ventilation shaft. Recent archaeological study found no traces of smoke to suggest its use as a chimney.
